- ▲ Apply Loctite 242 (Blue)
- Apply Loctite (Green)
- Denotes New Change

SAFETY INSTRUCTIONS

WEAR EYE AND HEARING PROTECTION

Always wear hearing protection and eye protection devices, including side shields when operating or working in the vicinity of a tool.

DO NOT EXCEED MAXIMUM RECOMMENDED AIR PRESSURE

Operate the tool using only the recommended air pressure. Do not exceed the maximum air pressure marked on the tool. Be sure the air pressure gauge is operating properly and check it at least twice a day.

Never use any bottled air or gases such as oxygen to operate the tool since they could cause the tool to explode.
